A quick word about our pool tables...

The tables which we have at the Bata are professional pool tables on which world championships etc. are played, too. Keeping our material in top condition matters to us a lot.

But DON'T PANIC!

You don't have to be a professional pool player to be allowed to play here. You can't break anything if you follow these rules:

- No drinks on or off the tables. Never, not even "very carefully"!
- Do not sit on the tables.
- Use cues, balls and chalk only as the inventor intended. I.e. do not throw balls, do not use cues as laser swords, do not draw on tables. Yes, all that happened before :)

If you notice any issues with the material, please let us know and we will take care of it. Thanks!
